The information in this Guidebook is subject to change. Please feel free to contact a Cast Member regarding accessibility prior to boarding a particular attraction. You may also wish to visit Guest Relations for current information on accessibility and services.

WELCOME

Welcome to the *Disney-MGM Studios*! This Guidebook provides an overview of services and facilities available for Guests with disabilities who are visiting the *Disney-MGM Studios*. This booklet is intended to supplement the weekly *Disney-MGM Studios* Guidemap that contains additional information and an entertainment schedule.

Guest Relations

Guest Relations, located inside the *Disney-MGM Studios*, provides a variety of services including: general information, Priority Seating for restaurants, ticket media information, Park guidemaps and entertainment schedules, and information on services for Guests with disabilities.

Theme Park Parking (Standard parking rates apply)

Guests with the ability to walk short distances and step up onto the courtesy trams should park in the main parking lot of the *Disney-MGM Studios*. The courtesy tram will transport Guests to the Entrance Complex. Parking for Guests with mobility disabilities, or who are traveling with personal wheelchairs, is available adjacent to the Entrance Complex at each of the four Parks.

Guests should inquire at the Auto Plaza for directions on parking options.

Shops and Restaurants

Most food and merchandise locations in the *Disney-MGM Studios* are accessible to Guests with disabilities. Cast Members are available to assist Guests when necessary. Some counter-service locations have narrow queues formed by railings which may be difficult for Guests using wheelchairs. At these locations, we suggest that a member of the party order and transport the food, or contact a host or hostess for assistance.

First Aid

The *Disney-MGM Studios* First Aid Station is located adjacent to the Guest Relations Building just past the Main Entrance.

Companion Restrooms

At the *Disney-MGM Studios*, companion-assisted restroom facilities are located at First Aid as well as:

- Opposite “The Twilight Zone Tower of Terror™”
- Opposite Star Tours
- *Fantasmic!*
- Rock ‘N’ Roller Coaster Starring Aerosmith

Stamina or Endurance Concerns

Some Guests may be concerned that they do not have the stamina to wait in our queues. We strongly suggest these Guests consider using a wheelchair or ECV, as the distance between our attractions is much greater than the length of our queues.

Smoking Restrictions

For the comfort and safety of all our Guests, smoking is prohibited in all waiting areas, attractions, stores, dining areas, restrooms, and locations designated for parade and show viewing.

ATTRACTION ACCESS

Methods of accessibility vary from attraction to attraction within our Parks. The *Guidebook for Guests with Disabilities* and Park guidemaps use symbols to indicate boarding procedures for each attraction. In addition, Guests should contact a host or hostess at each attraction before entering.

Attractions that provide access through the main queue include:

- Jim Henson’s Muppet*Vision 3D
- “The Twilight Zone Tower of Terror™”
- The Great Movie Ride
- Star Tours

Auxiliary Entrance Limitations

Some attractions have auxiliary entrances for Guests with disabilities. These are intended to offer Guests in wheelchairs or with service animals a more convenient entrance to the attraction. Auxiliary entrances are not intended to bypass waiting lines. Guests with disabilities and up to five members of their party may enter through these entrances. The rest of the party should use the main entrance.

Parade Route and Show Areas

Due to Guest demand, viewing spaces cannot be reserved or guaranteed. Parties larger than six will be asked to separate and reunite afterwards. Guest Relations can provide information on show times and other special events on the day of each visit.
