

WORLD PREMIERE FAQ

1. Will I be permitted to walk down the red carpet?

Yes! You will be part of the colorful parade of guests and celebrities walking the carpet. And this event will be covered by media from around the world, so you'll want to flash your biggest smile for all the cameras!

2. Will I be able to photograph celebrities or ask them for autographs?

You are welcome to take candid pictures along the carpet and at the pre-screening premiere party.

However, due to time constraints and for the safety, comfort and security of the stars and guests alike, you are not permitted to ask celebrities to sign autographs or pose for individual pictures.

4. Is there any way for me to participate in this event if I can't afford a ticket?

Yes! If you purchase an admission ticket to Disneyland, you can come to the Park and witness the exciting arrivals of premiere guests and celebrities while standing on the sidelines on Main Street USA. However, you will not be able to attend the pre-premiere party or see the screening of the film. Park hours for premiere day are 7:00am-5:00pm.

5. Are there any discount tickets available?

We are sorry, but there are no discount tickets available for this event. This event is a fund-raiser for Boys & Girls Clubs of America. 100% of the ticket income will go directly to their programs to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

6. When will I get my tickets?

Tickets will not be mailed! For security reasons, you must pick up your tickets at WILL CALL in front of the main gate on premiere day starting at 6 p.m. We must have all ticket holders' names no later than 10 days prior to the event. A government-issued identification card is required in order to pick up the tickets.

7. Is the theatre handicapped accessible?

Yes! If you require handicapped seating, please email us with your request and let us know how many people are in your party.

8. What do I get with the purchase of a \$1,000 ticket?

The \$1,000 dollar ticket includes walking on the carpet, attending the premiere party and seeing the movie. After walking down the carpet all premiere guests will be directed into the exclusive premiere party (including supper) located in Adventureland & Frontierland. There is no after party. Once the movie is completed you may go on more rides and enjoy coffee and ice cream.

9. Is there any hotel rooms set aside for those who purchase tickets?

Everyone who books a ticket is responsible for making their own travel and hotel accommodations.

10. Is there any age restrictions?

Everyone who attends the premiere must be accompanied by an adult ages 18 or older. It will also be a late evening as we cannot start the film until dark. The film is currently unrated.

11. How late will the park be open?

The park will remain open in selected areas for premiere guests until 1:00 am.

12. What is the dress code?

The dress code is “Pirate wear”, but you are welcome to wear whatever you feel comfortable in. As a reminder the theatre is built on top of the Rivers of America so we do suggest bringing a sweater or jacket for the evening. Make sure to wear comfortable shoes as there will be a lot of walking.

13. Will the filmmakers, film’s stars and other celebrities all be at the pre-screening party?

All of the filmmakers, film’s stars and other celebrities are invited to attend the same pre-screening party in Adventureland and Frontierland described below. The amount of time the main film talent (Johnny Depp, Penelope Cruz and etc.) will actually spend in the party depends upon how long it takes them to do all of their interviews on the red carpet so there are no guarantees that they will be able to make it. Everyone else will be there for sure.

14. Where are my seats?

Everyone will be assigned their premiere seats in the order they purchased tickets. The theatre has been designed so that every seat will have a good view of the screen.
